

Dear youth parents,

Our youth continue to have a great time on Sunday evenings as they grow closer to Christ through fellowship and Bible Study. Each week our Junior and Senior High youth enjoy a snack supper together. This time of gathering and fellowship is very important to our youth ministry.

I am writing to ask you to serve in this ministry. On the attached list you will see I have once again listed two parents for each week. If for some reason you do not want to serve in this ministry, please call and let me know immediately. If you are willing to serve and have a conflict on your week, please call and swap with someone on the list. If you are unable to find someone to swap with, please call me at 770-867-3322 or 678-570-5892.

We will continue the policy of not making any reimbursements. This means that anything you provide for our snack supper will be considered a donation. It also means you do not have to provide a full meal either. It is up to you to determine what you will provide when your turn on the schedule comes up.

You may provide anything from a very light snack (chips, cookies, ice cream, drinks etc...) to a complete meal. The Sunday night "snack supper" started off as precisely that, a snack & has over time, due to our good fortune, it evolved into a supper.

Please have snack supper ready by 6:30 pm and prepare for approximately 55 youth. Along with the preparation we also ask that you serve the snack supper and clean up the youth kitchen afterwards.

All the paper products are supplied along with the ice. You will need to get drinks to go with the food.

Thank you in advance for serving in our youth ministry.

Serving Christ together,
Lana Snyder

YOUTH SNACK SUPPER SCHEDULE

September 5, 2010

Labor Day Weekend

Tina Ruffino 770-601-4189
